OSP Corporation has over 11 years experience checking and finding the most suitable staff for your needs.

Our Company knows the problems in finding that right staff member for you and spends hours locating and checking to confirm all the requirements are satisfied which saves you valuable time and money.

Let our experienced staff fill your needs no matter how technical or seemingly difficult which will free your time to actually make the decisions necessary in running your Company.

We are able to fill all positions from the office girl to Senior Management as over 12 years helping Companies has not only given us great experience but our networking skills means if we do not have someone immediately we know where to locate that special person for you.

Contact our Staff by send an email to

k-ohnishi@osp-corp.co.jp

outlining your needs and we will respond quickly and professionally assuring you total confidentiality in all respects.

We look forward to helping you solve that difficult problem in the near future.

Thank you,
